これまでのあらすじ

WIZARD

古の時代から精霊の力と教えを語り継ぐ者達がいた。彼ら精霊使いは四方霊呪会と呼ばれる組織を結成して世界の調和のために尽力していたが、彼らと生まれを同じくしながら袂を分かち対立するもうひとつの呪法の系譜があった。式霊を従え死者の魂を操るその異端の呪法を精霊使いは黒霊呪と呼んでいた――

旅の占い師キンルは、交易都市ラシュタスで黒衣の男達に追われる双子の兄妹に出会う。黒霊呪法師の男達を撃退したルティスとマティエの兄妹もまた黒霊呪の使い手であった。

キンルは霊体となって現れた今は亡き兄妹の師チェトウィノクから、ふたりが生まれながらに特異な呪法の能力を持っている事を聞かされる。四方霊呪会に深い恨みを抱く黒霊呪は双子の持つ呪法の力を利用して自らの復讐を果たそうと画策していたのだった。

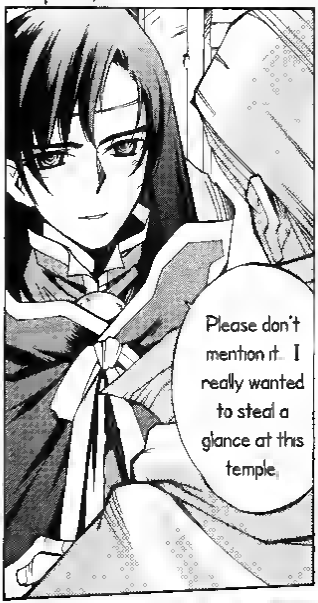
エルテナの町へ向かう途中水霊呪の練士ナリナと出会ったルディス達の一行は、町が黒霊呪のかけたという死の呪いに脅かされている事を知る。次々に仲間を増やして町を襲う死者達。彼らを退けたルティス達は呪いの正体を見破り、死者を操っていた魔草ヒラルカを発見する。たかこの事件を実て操っていた真の犯人は黒霊呪と内通し霊呪会を陥れようとする水天の守護聖カレウスであった。狡猾なカレウスの前にピンチに陥るルティス達であったが、カレウスの実切りを知った霊呪会の使者の登場により形勢は逆転し、カレウスは敗走する。

霊呪会の使者ノルウィスはルティスとマティエを霊呪会で保護したいと申し出る。旅立ちの夜キンルに占いて自分達の暗い未来を暗示されたマティエは、ルティスにすがりつき涙する。

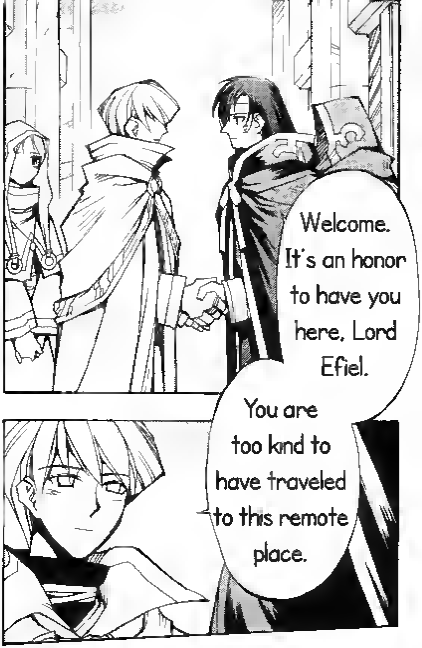
お前より大事なものなんてこの世にあるもんか！マティエを抱きしめながら語りかけるルティスたったナリナと別れ四方霊呪会のカルネ召喚堂へと招かれたルティス達一行はそこて石使いのリューインに出会うリューインは初対面であるはずのキンルを姉と呼び彼女が記憶を失った石使いたと告白する。

そしてその日、四方霊呪会と黒霊呪の和解を模索するために、チェトウィノクの一番弟子であったという黒霊呪法師エウェルか召喚堂へと招かれたのだった……。

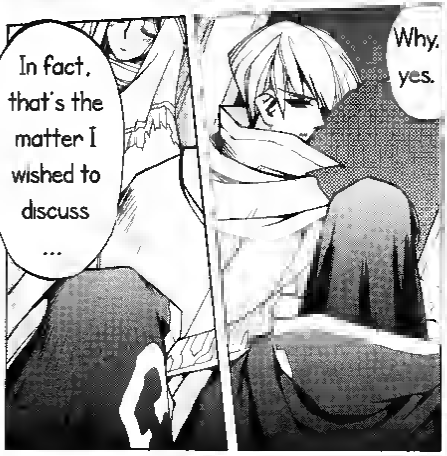
TL Note: This page is just a recap of volume 1.



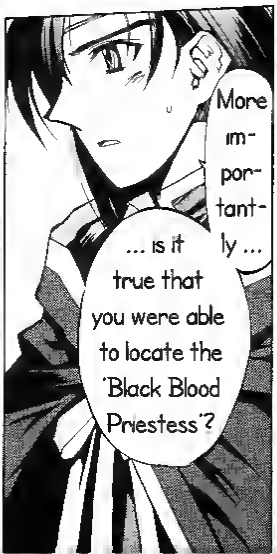
Please don't mention it. I really wanted to steal a glance at this temple.



Welcome. It's an honor to have you here, Lord Efiel.
You are too kind to have traveled to this remote place.



In fact, that's the matter I wished to discuss ...
Why, yes.



More im-por-tant-ly ... ... is it true that you were able to locate the 'Black Blood Priestess'?

What in the world is he doing here?!
Lord Efiel is the one closest to being the Head Elder's most trusted man ...
I should have sensed it earlier ...
Efiel was used by the Reijukai until they turned his head!
I am the eldest ...!
Those people are our opposition
Their real intention in this temple is to spy on the children !!
!?

Chapter 7: Disaster

Efiel...
How long do you plan to continue this farce?!
Mas...ter..?
...is something amiss? Did you not take into consideration that I might make an appearance here?

That's right ...
You were in command of the army at the temple where we were taking refuge when we were attacked ... We certainly should have perished ...
Lord Efiel is the master's ...?
What ...?
He had become the Sage's puppet.
Thirteen years ago, the twins were snatched away by the treacherous Sage's army ... I, along with the other temple priests, engaged in a long battle against Efiel ...
The last time we met ... he was not 'Efiel', at all ...

However ... Master ...
... you've made another mistake ...
SFX: SOFT CHUCKLE
Just as I'd expect from my master
I most certainly didn't anticipate this hindrance ...
...!?
HEH!
So ... as I suspected ... those two are here. Am I correct?
HEH!

You ... never should have left those children alone ...
If that's the case

HURRY, YOU TWO!!
What's the matter, Kishiru?
We just got here! Why do we already have to run away?
Enemies have come!!
The same ones who killed your master ...!!

!?
If a battle starts, this place will not be as safe as we anticipated.
The Stone User will guide us until we reach a safe place.
!!

How long do we have to run?! Ain't they just gonna follow us?!
I'm sick and tired of running away like a scalded dog!
I CAN'T TAKE IT ANYMORE !!!
And where would this safe place be?!

I am overjoyed to see you, children ...
... since we were separated when you were babies.
Hasn't it been about ten-odd years since last we met?
... that time ...
... when you came to the island and did in your own comrades!
You're wrong!
We were watching ...

#8 刻印
Defeat

This is a free scanlation. If you paid for it or downloaded it from a pay-to-download site, you got SCREWED!!

That's right — mwa-haha —
As I thought ... that time, should I have hidden the corpse and laid in wait?
WHAT did you ?!
Calm down !!
However I knew that I would eventually catch up with your useless attempts to flee.
All it means is that Master, too, died in vain
I will question Efiel once more ...
... about your mother, Lui ...
You!! Your own younger sister was chased to death! Was that not the deed of the Elder's own selfish hatred?!

Younger sister ...?!
Then that guy is the twins' ...?
!
Wouldn't Master know it?!
However, while I personally uphold the Reijukai's precepts, in reality, I plan to bury them in the darkness!
For that purpose, I'll obliterate the Luciffis' existence!!
At one time the Reijukai thought out the means to manipulate the souls of the dead in a quest to find a technique to achieve immortality.
That's right! Since then it has been known as the "Forbidden Black Arts" technique!

There were a lot of comrades lost while the Luciffis were the only ones who escaped ...
... and since that time, we began fighting.
Our mutual existences were gambled ...
As for Lui ... she gave up her life of her own free will for the sake of our ceremony ...
... in order to conceive the 'Black Blood Priestess' in her body so that she could become our trump card!
Hmph ...
Apparently the elders are of the same mind It is simply the way that it has been painted that has changed ...

Don't spit non-sense !!
Our mother ... you got rid of her just for that!!
You mean to tell me that our mother was sacrificed for your own selfish convenience?!
That is ... THAT IS A LIE!!
After all.... It's not some-thing that you can understand
If it's through the blood of this girl, alone then that's a rather cheap redemption!!
It is necessary for a little blood to be shed in order to achieve my ultimate goal

BASTAAARD!!
Ru-di-us !!
Calm down !!
SFX: FIGHTING SOUNDS
REI-SHOU
KEN-SHIN !!

SFX: STEP
Ru-di-us !!
Don't act so irrat-ionally !!
You can't fight him alone!
Gramps, lend me your power!
If it continues this way, we'll lose!!
We might be able to stop him ...

You think that you've got what it takes to stop me? I'd like to see you try!
SFX: ZOOSH
SFX BOOM!
KYAAA!

RENGO KENSHOU !!
SFX: KABOOM
If we work together
... the three of us can cover Rudius and the others!
Ryuuin!

That power of yours isn't completely unworthy...
Do you want to clear up your mother's regrets?
The more anger and hatred you feel, the more power you lend the dead to fight!
Heh heh heh...
Master seems to be very, very afraid, huh?
Rudius! Control yourself!
Do not let his words confuse you!
The flourishing power that lies dormant within you is awakening. Rudius...!

An evil curse was poured into your bodies ...
That "Black Blood Devilish-ness" demands destruction ... indulges in the flesh and blood of the dying heart!
I AM 'ME' !!
Why should I have to change ?!
SFX: SWISH!

GWAAA!

SFX: POP FWISH
NOW, Rudius !!
We did it!!

I beg of you ...
Please stop hurting ...

Please! Stop it already !!!

In that case ... pledge your obedience to me!
And should you think to dispute my word, the 'Vanquished Seal' will be engraved in your body.

GRRR!
DON'T LOSE ...!!

Lord Head Master ...
... thank you for your extended kindness.
Of course ...
... though I was surprised when you offered to train with the Mizu Ten.
It is so like Narina to persevere without reluctance.

TL: MIZU TEN: THE WATER-SKY/WATER CASTERS GUILD

Yes!
Well, then ... I'm going.
Narina! Have you been well?

Even if I can only do a little that's all right
I have to get up and walk on my own ...

Ha ha ha! I guess I couldn't help it...
Jeez
Yeah, right, since I'm so-o-o-o-o slow!
Ah, ah
I knew it! I might not be suited to become a Spell Priestess, after all...

Are you and Mattie the same? The power you both share is dormant ...
You need not worry about that yet
In order to control the Luciffis, one must discard negative thoughts, such as hatred for the dead, sadness, and the like, and be possessed of a strong heart to prevail.
As for Mattie ... That girl's heart is too gentle for the Luciffis to use.
Isn't that why you feel that your main purpose is to protect her?
I don't know whether or not that girl can overcome her own fate ...

Eh?!

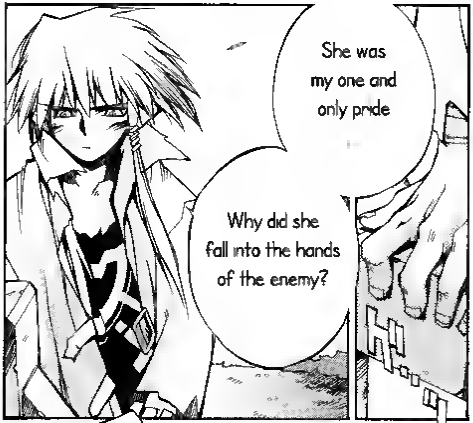
Unexpected Enemy

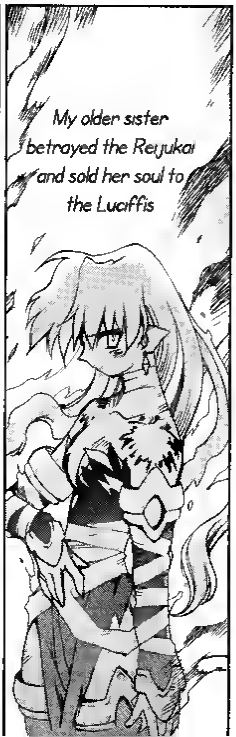
It's been almost five years since you died...
It seems like an extremely long time
It's been a long time, sister...
The last time I saw you... was two years ago...
No...

Look at this, Sister...!
Well...
It seems that you can do anything you put your mind to, Gashuu!
SFX: NOD
Wow! If you keep training like this, someday your fire spell will be stronger than mine...
You're damn right I can!!
What the hell are you saying!? You're Ishlia Noun, *the* number one in the whole village of Agnes, and I'm your little brother!!

As long as you're having fun, Gashuu.



She was my one and only pride
Why did she fall into the hands of the enemy?
SFX: GRIP



My older sister betrayed the Reijuka and sold her soul to the Lucifis

Gashuu...?
Aren't you Gashuu?

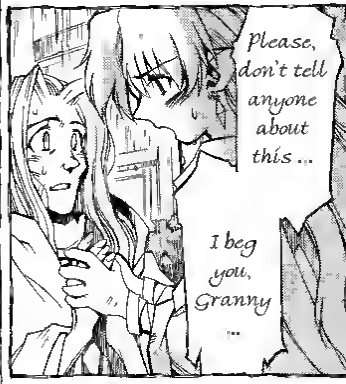
My, my I haven't seen you in awhile
Granny Elena
SFX: WHAM!
What a splendid young man you've become!!
And you're as healthy as usual ...
Since no one in the village will come near it ...
At least I'm the only one who feels that it must be taken care of. If no one does it, won't she feel lonely ...?
Did you come to take care of the grave?
I see ...

In order to protect that man, she used a fire arrow spell and inadvertently set fire to the village
Ishlia protected a fugitive who was being persecuted by the Reijukai
That was ... the day you went back to the Temple of Instruction
... Even my sister should have known that
My sister betrayed us ... and it didn't solve a damn thing ...
That man, Fausto has killed many of our comrades to date ...
How much more blood will be spilled on his account?

You were just planning on keeping it a secret, right?
I did see something ...
That girl ... Ishtia ... hiding a man the night before ...

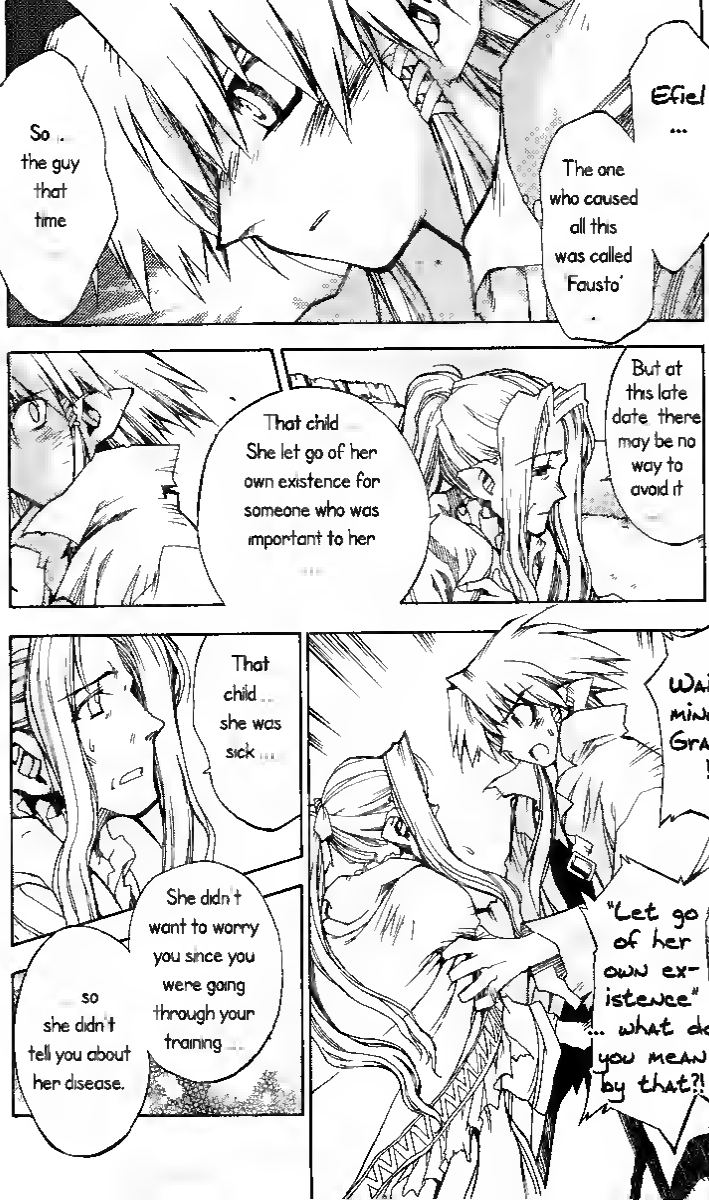
He is someone who is impor- tant to me ...

Ishtia, what are you doing? What is that blood?
And who is that person?



Please, don't tell anyone about this ...
I beg you, Granny ...

It was the first time I'd seen that expression on that child's face
That man, "Fausto" was a spell master ...?
Did she really say that he was a member of the Reijukai ... wasn't he just a villain?
I can usually see people's true intentions when I look into their eyes
It was clear to me when I looked into his that he was a murderer
They were very dark and sad eyes
... Wouldn't she have had her own reasons ...? Something
Moreover, isn't it strange
... that that child, Ishlia ... She called upon a man named Efiel ...?

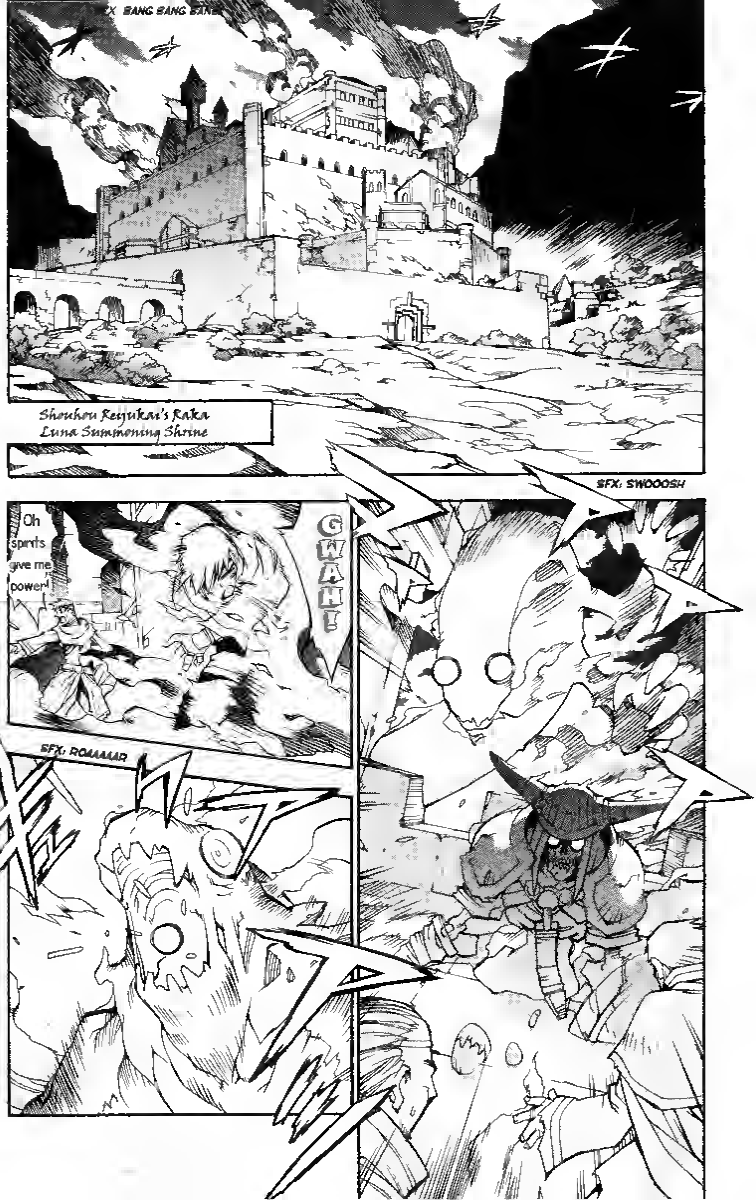


So .. the guy that time
Efiel ...
The one who caused all this was called 'Fausto' .
But at this late date there may be no way to avoid it
That child She let go of her own existence for someone who was important to her
That child .. she was sick ...
She didn't want to worry you since you were going through your training ..
so she didn't tell you about her disease.
Wait a minute, Granny !!
"Let go of her own existence" ... what do you mean by that?!

SFX: WHOOSH
As long as you have fun, Gashuu
Damn...
You were an idiot, Sister...

SFX PANTING
Gashuu !!
I finally found you !!
You haven't been in contact with us since who knows when! What the hell have you been up to?!
Ji Jine ..?
Never mind that! We've got trouble!
The Luciffis have suddenly started to make their move!
Gashuu!
Real-ly?!
Let's get moving !!

I ... thought I knew my sister's circumstances better than anyone ...
... but it turns out that I didn't know anything
I'm going, Granny Elena ...
... because there are things I still need to do ....
SFX: FWISH



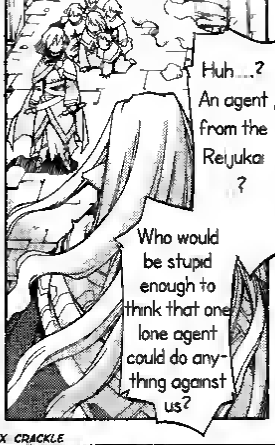
SFX: BANG BANG BANG
Shouhou Ryuukai's Raka
Luna Summoning Shrine
SFX: SWOOSH
Oh
spirits
give me
power!
GWAH!
SFX: ROAAAAR

So this is all the power that those Lucifis bastards retained?!
GWAHH!
HA HA HA HA !!!
GO, Spirit Soldiers !!!
Exhaust the flames of your hatred against these Reijukai imbeciles!!!

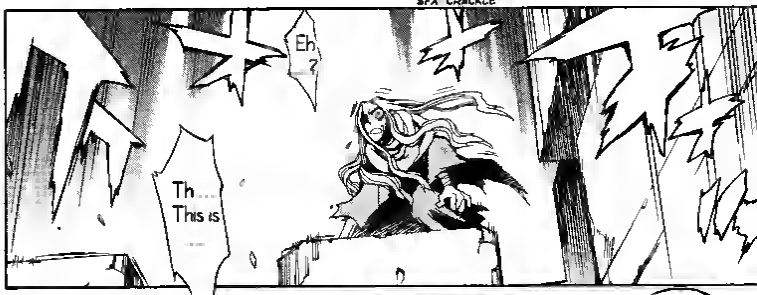
This way, everyone!!
KYAAAAAA!
SHK SHK
!!
Are you trying to escape?!
I won't let you!!

SFX: BOOM
Miss Narina ...
SFX: CRASH
Eh ...?

Ah ...
Do you really think I came alone?



Huh ...? An agent from the Reijuka ?
Who would be stupid enough to think that one lone agent could do anything against us?



SFX: CRACKLE
Eh ?
Th ... This is ...

SFX: SSSSSSHHH
SFX: GWAAAAA
Your Spirit Soldiers cannot maintain their forms any longer

SFX: ZZZT
Our comrades set up a Ruin Barrier around the training grounds ...

Give up and surrender !!
Prolonging this fight is useless!
Eh ?!
SFX: FWISH
SFX: KABOOM
It can't be ...
The barrier is ...!

Rudius
...
Mattie
...?!

You two are
If that's the case then how about these guys?
MWA HA HA
Huh ?!
SFX step

It can't be...
Is it really you...?
They are... the Luciffis' TRUMP CARD!!

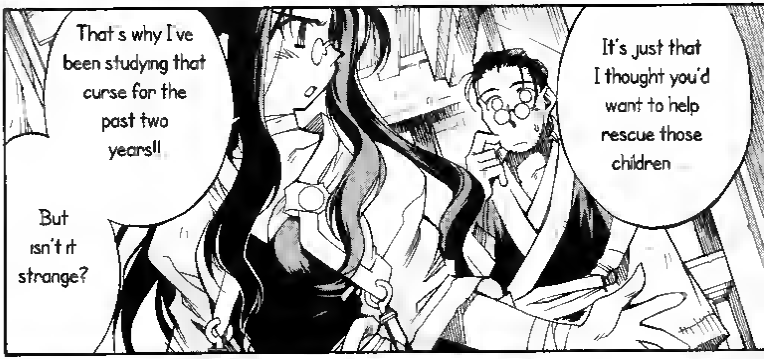
SFX SPLASH

SFX: WAAAAAAAAHP
Ah, so this is where you were
Everyone is waiting in the hall
SFX: POW
That's so-o-o cruel ...
Always thinking that I want to see you naked Shouldn't you have changed that opinion by now?
IDIOT!! As if you could! The length between the towel is deeper than the sea!!
WHAT THE HELL ARE YOU THINKING, BARGING IN HERE LIKE THAT, YOU PERVERTED OLD MAN??!
Boo
bies

This stuff about 'me' from long ago ...
... when and if I revert back to it, tell me properly!
More importantly ...

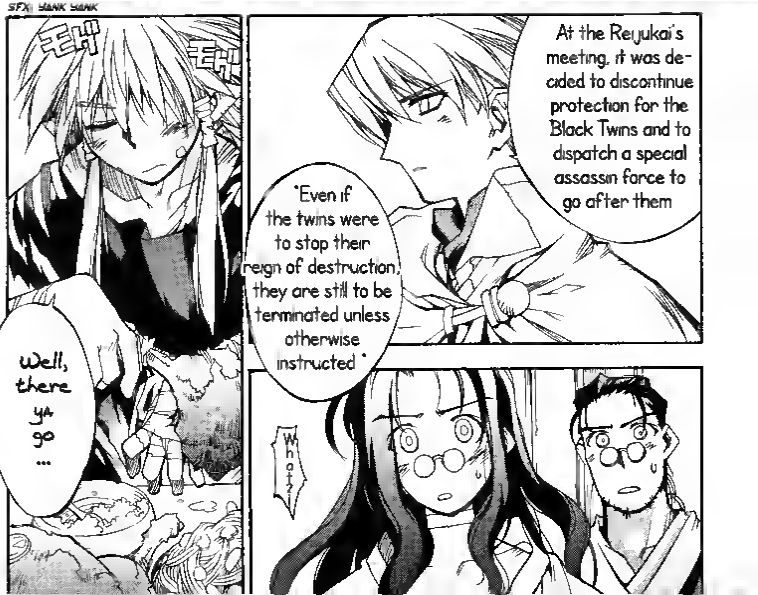


That's why I've been studying that curse for the past two years!!
But isn't it strange?
It's just that I thought you'd want to help rescue those children ...

Why are you telling me things that happened so long ago?
Supposing I really did lose my memories from way back then ...

For instance, something outrageous masterminded by ME... and in the end, I did it as much as I wanted...
My memories erased by the Rei-jukai, and I was exiled...
The trouble I went through and she got it almost right...
Is that an elm tree?
Let's see... your older sister, huh?
Long ago huh? Something that people won't dare to talk about, huh?
SEX - OINK~
Miss Kishiru? Lord Ryuuin
As sharp as ever isn't she? And just as blunt
So... what kind of place is this?

What the hell were you doing?! Since you were late, we started eating without you!
Ryuuin, allow me to give you the bad news right away.



SFX: SHAK SHAK
At the Reijukai's meeting, it was decided to discontinue protection for the Black Twins and to dispatch a special assassin force to go after them
"Even if the twins were to stop their reign of destruction, they are still to be terminated unless otherwise instructed."
What?
Well, there ya go ...

That's why... That's...!
As one would expect, if the extent of the damage were to come out, the superiors could not remain silent!
The Lekalena Training Academy begins around the middle of the month in the Seventh Passage.
Si... Sis...?
Calm down, Sis... Sit down and eat your dinner
I hate this!!
Even though I want to save the twins, I volunteered for this mission!!
What are you guys gonna do?
Sooner or later, it's all the same... They'll come to us, won't they?

As soon as they lose control of them, they become expendable
Even I cannot stomach this
SFX: SHOCK
Wa
WAAAAAAAAH!
Naturally that order is not to protect them
Am I right?!
SFX: RIU
Yeah, but if we get to go ..
We'll manage something and shove it right up their asses ...

So ... is it Ryuuin's turn to be 'boss'?
Right, Boss!
Dincha say it all scary and shit last time?
I thought ... man, ain't that a great secret plan ?!
Huh?
"Huh" ?!
Aincha ?
.....
Could it be ...
... that you don't have a concrete plan ... ?
That's not something you should concern yourself with ...
.....

At the training facility, Mattie was manipulated into fighting because of that cursed seal carved into her chest ...
That seal was forged in the Kalun Summons Temple ...
I wouldn't go so far as to say that we don't have a concrete plan, but ...
... we'll go with the reasoning that they have not completely become our enemies yet ...
If we could reduce the effectiveness of that seal ...
Even if we strike them, there's no easy way to return them to normal, but ...
... there must be a way to snap them out of it ...
In that case, then Rudius, too ...!!
If those guys realized that they were fighting us and tried to stop then that means the Lucifi's brain-washing didn't work so well.

SFX: THUNK
Is ... isn't that our biggest problem ?
For the time being, we might find those two but
It's oh-h ... kay-y ...
SFX: SIGH
Ha ha ha ha !!
Leave it to This La-dy Ki-shi-ru !!
TL: SHE ACTUALLY SAYS, "YOU'RE SICK."
Y you're drunk
My fortune-telling! La-la-la ...

Now, listen! Understanding your fortune-telling when you're sober is hard enough!
Hey hey
Anyway, since no one else has any bright ideas, innit worth a try ...?
Guiding stone Illuminate time ...
Bewilder me ... Show me the road where the Black Children may be
SFX: TUG
SFX: FWIP FWIP
Oh! Oh! Oh!

SFX ZOINK
SFX FWOOSH
SFX JAB
!!
Is this the direction where Rudius and Mattie are ?!
Um ... Err ...
SFX POINT
Is that ...?
SFX POINTPOINT

SFX: ZONG
Ah... Hahahaha...
Was everyone hoping...?
But...
And to think I was really hoping. What an idiot...
Did you sober up?
Even if I did...
...my fortune-telling is just useless...

SFX: CREEP CREEP
Even here at the Seikrei Gates Temple, we're having trouble locating them.... What can you do, eh?
Besides ...
As for your fortune-telling, maybe it was accurate.
It's been two years since I've made any progress ...
If I just thought if there were any way I could find them ...
TL: RUIJUIN'S LAST STATEMENT IS A HANGING PHRASE, BUT WHAT IS THERE IS IMPLIED.
Maybe what it was pointing to was what we need in order to save them, instead ...?
The way to save the Black Children.
That is not the way to save Rudius and Matthe ...

That power is something you have inside you - that exists inside you ... I'm sure of it.
Your lost memories that lie inside of you.
What in the world are you talking about, Ryuuin?
Even though I could have told you, I kept silent the whole time ...
... but somehow it seems like you'll get through it ...
Will you come with us? There are some things that want to be returned ...
!?
Some things that want to be returned ...?

Before my older sister Kishiru loses her memories
I should hand it over entrust you with the key

Perhaps this time has acheved the desired results
Your detachment while performing your duties was satisfac-tory
Oh ?

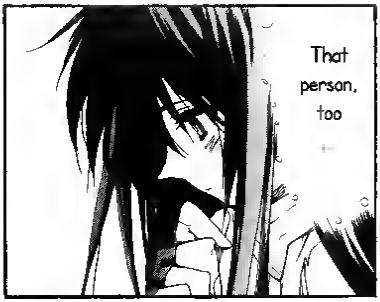
SFX: SHAKING
.....
... if brought to harm, it is to be expected that one might tremble ...
Even if you shut one's mind completely
SFX: GRIN
He is growing accustomed to it rather well, without the uselessness of conscience getting in the way
Mwa-haha-haha-ha...
Are our expectations for Rudius 'training' proceeding as planned ...?
GRAAH!
The Reijukai has already extended their search
Won't they eventually find this fortress, as well?
Yes ... no ... We'll have to wait and see.

SFX: FWOOSH
GRAAH!
Y... You're Galeus ?!
That guy is already ...
WASN'T I TO OBTAIN AN ETERNAL SOUL IF I BECAME YOUR SOUL SPIRIT SERVANT?!
DON'T FORGET YOUR PROM-ISE!

I WILL NOT BE THE ONLY ONE TO DIE!
YOU, TOO, WILL BE DISPOSED OF ALONG THE WAY !!
Rudius! Destroy him!!
SFX: SWOOOOSH
DO NOT FOR-GET !!

Fwa-ha-ha-ha !!
Are you surprised ?
We had planned to get rid of garbage like you from the beginning.
Having lost the power to maintain Galeus
.... this guy is almost at his end by now, anyway ....
ギィイイ...
SFX: CREAK
It is all right if you see
.....!

Your only blood relative was Efiel, wasn't he?
Although he was useful for a long time as our legs and feet ...
... once the body is dead, it is useless to manipulate him. Destroyed from overuse, he is already beyond repair. He's nothing but garbage and dust.
But then ... I don't regret what is happening to Efiel ...
His younger sister and he were deprived of their lives and by the power of our hatred, they became our hunting dogs ...
My guess is that it was because we used those they loved most.
It is good that this man is grieving in his last moments, at least ...



That person, too

Surely ... do not regret ...

Ma

!!

Mat tie
Pl... please

My voice ... is failing ... I don't ... have much time ...
Mattie ... Open ... your heart ... Listen to me ... please ...
... however ... I cannot die and leave the two of you this way ...
My soul ... will extinguish soon ...
Mat-tie ...
... would you listen to my last request ...?
I'm sor ... ry ...
I've ... only brought you ... unhap-piness ...

Lend me
Lend me only a little of your power
...just this once...so that I can move this body
...so that I may release you from your imprisonment curse...!
TO BE CONTINUED NEXT-ISSUE.
